

- Designed for professional beverage cooling in restaurants and bars.
- The cooling coils are made from stainless steel.
- Materials used meet the highest requirements for hygiene standards and guarantee a long working life of this cooler.
- Two grab handles on the side of the machine enables the machine to be carried and moved with ease.
- The cooler also includes an adjustable temperature control with 7 different settings.

C2099

Specification:-

Part No	Thermostate	Dimensions	Weight
C2099	Digital	L (450) x W (690) x H (571)	64.5kg

Operating Performance:-

Compressor	16.8 cc
Circulation Pump	18 m
Ice bank	28 kg
Power Supply	230 V 50 Hz
Amperage	5.10 A
Power Input	1500 W
Refrigerant	R290
Water Tank Capacity	60ltr
